NOTICE

The court expects counsel for the appellant to review the record on appeal immediately on receiving it and, if necessary, file any motion for augmentation of the record in compliance with rules 8.340(c) and 8.155 within 40 days or less of the filing of the record or appointment order, whichever is later. Exhibits should be transmitted pursuant to rule 8.224 and therefore should not be included in a motion for augmentation.

All counsel are requested to submit to the court an electronic version of each brief filed, in addition to the paper copies required by the rules. The electronic version should be transmitted to 4d1ebrief@jud.ca.gov.
