

Parts in blue print are instructions to user, not to be included in filed document unless so noted. [Parts and references in green font, if any, refer to juvenile proceedings. See Practice Note, this web page, for guidance in adapting forms to juvenile cases.]

**Practice tip – IMPORTANT:** For some kinds of corrections, some courts may require an entirely new, corrected brief, rather than a simple request to submit corrections. Check with the clerk’s office, the ADI staff attorney, and the [ADI Fourth District practice web page](#) under “Briefs.”

**Practice tip:** Alternative ADI sample forms may be preferable, depending on the timing and the court – e.g., erratum letter, request to strike brief and file new opening brief, and request to file supplemental opening brief.
