Practice tip: This motion pertains to San Bernardino County Superior Court cases in which out-of-county counsel seeks a copy of electronic media exhibits (DVDs, CDs, etc.). The Court of Appeal will make the copy for counsel because the superior court is unable to do so. Before preparing the motion, contact the superior court for any change in procedure and the ADI staff attorney and see [De-mystifying the Exhibit Review Process in Criminal Cases](#), found under APPELLATE PRACTICE<Nuts and Bolts of Panel Practice.

**POINTS AND AUTHORITIES IN SUPPORT
OF MOTION FOR TRANSMISSION OF EXHIBITS**

Under California Rules of Court, rule 8.320(e), all exhibits admitted in evidence in criminal cases are deemed a part of the record on appeal. Although rule 8.224 [8.407(e)] does not directly apply to transmission of exhibits for the purpose of copying for counsel, it provides useful guidance. Rule 8.224(c) permits a party to “apply to the reviewing court for permission to send an exhibit to that court” outside the usual time frame.

This appeal involves *[briefly set forth the nature of the convictions and sentence]*.

Potential issue[s] on appeal include *[briefly describe]*.

The evidence consisted of *[briefly set forth the evidence and the relevance of the exhibits]*.

The exhibit[s] *[was/were]* not included with the record provided to appointed counsel. To assess and gain a full understanding of the issue[s] under consideration before briefing, appellate counsel must obtain a copy of the exhibit[s].

San Bernardino County does not have the ability to copy media exhibits for counsel. Counsel understands that this court has offered to make copies for counsel if the relevant exhibit[s] *[is/are]* transferred to the Court of Appeal.

Defendant requests this court order that the above-designated exhibit[s] be transmitted to the Court of Appeal for copying for counsel.
